Workshop Attendee

10th Annual

Construction Audit & Cost Control Best Practices Roundtable Workshop

This two-day interactive Best Practices Roundtable Workshop is for the experienced construction audit and/or construction cost control professional who is looking to gain additional insight from other accomplished professionals.

We expect to have a diverse group of experienced participants. Formal presentations will be limited to 15 minutes followed by ample time for open discussion by all attendees.

We will be exploring the pros and cons of different construction contract language concepts, procurement approaches, project cost controls, and construction audit techniques. Learning points will be provided with examples.

CONSTRUCTION AUDIT & FRAUD TRAINING
PUBLIC OFFERINGS
ON-SITE TRAINING
ANNUAL WORKSHOPS

Who Can Benefit

Owner organization representatives who are responsible for oversight of construction contract activity including:

- Construction Audit Consultants
- Internal Audit Professionals
- CFO's
- Cost Engineers
- Attorneys
- Construction and Engineering Department Representatives
- Facilities Management Department Representatives
- Procurement Department

Sample of Scheduled Guest Speakers:

Vince Chapman – VP Audit & Contract Services
HPM, LLC

With over 37 years in the construction and construction auditing field, Vince has audited projects in every major city in the USA and also worked on numerous projects in Canada, Mexico, Africa, and the Caribbean. He provides services to virtually all private industry segments.

Antonio Fratangelo – Principal, Contract Services
HPM, LLC

Antonio has over 20 years of experience in construction management, construction auditing and project management. He is a principal in HPM's audit and contract service division. He is also a co-founder of JA Cost Engineers and Advisors, Inc., an advisory firm that provides services for construction, development and capital improvement projects.

Marc Gravely – Principal
Gravely Attorneys & Counselors

Marc Gravely founded and leads Gravely Attorneys and Counselors, a construction defect and insurance claims law firm working throughout Texas. As counsel of record for hundreds of property owners' and policyholders' legal claims over the past decade, Marc represents Texas businesses and governmental entities.

Kevin Jensen – Development Division Controller
City Creek Reserve Inc.

Kevin Jensen is a Division Controller with City Creek Reserve where he has worked for 14 years managing finances for a wide range of developer-owned projects across the country including retail, office, industrial and residential. His construction finance experience includes all aspects of accounting, auditing, contract compliance and project controls for these projects from project inception to final closeout.

Marvin Johnson – Sr. Project Manager
Construction Management Partners, LLC

Marvin has amassed 35 years of construction management experience. His senior project management, operations, and construction audit expertise has contributed to the placement of over \$3 billion of construction in the St. Louis metropolitan area and the surrounding Midwest and Southeast Regional markets.

Jim Miller – Senior Manager
Baker Tilly Virchow Krause, LLP

Baker Tilly Senior Manager, Jim Miller, has more than 30 years of construction experience, both in construction company operations management and construction consulting - nationally and internationally. His role specifically focuses on risk advisory, construction auditing and dispute resolution.

Patrick Reiser – Senior Cost Manager
Axias Inc.

At Axias, Patrick collaborates with architects, engineers and owners to effectively manage \$20 million of capital and tenant improvements from start to finish. Before joining Axias in 2020, his experience included designer, cost estimator and construction manager.
